

## **PARENTS/GUARDIANS: CODE OF CONDUCT AND RESPONSIBILITIES**

The staff of Eagles Wings Track Club is excited in the opportunity of getting to know all of you and the *code of conduct* statements are obvious; however, we have all witnessed parents who are “overly involved” in regards to youth sports. Parents and friends of EWTC, must be role models and conduct themselves as responsible, moral, ethical adults worthy of the respect and emulation of our youth members.

- 1. Parents are NOT permitted on the track during practice or meets.**  
-example, a parent running alongside athlete or coaching during meets may disqualify athlete.
- 2. Any concerns or comments to coaching staff must take place before or after practice or via email.**  
-Club is paying for facility usage; every minute of practice is needed for coaching.
- 3. Parents ARE permitted to watch practices from off the track as long as NOT distracting members or staff.**  
-it’s important for the maturity of youth members to feel they are somewhat independent.
- 4. Youth member must adhere to athlete code of conduct on website, any member whose behavior is disruptive to other members or coaching staff may be asked to leave.**
- 5. Parents/Guardians are responsible for providing transportation for their children, to and from practice or meets, unless member is of driving age.**
- 6. Do not post video highlights online, without parental and EWTC consent. Parents may post videos online of your child only, as long as no other athletes are attentioned. Club may use pictures and/or videos on EWTC website only with parental consent.**
- 7. Do NOT make statements about EWTC on the “San Diego Track Magazine Blog.”**  
-any reference to the Club may be construed as advertisement.
- 8. Parents are to inform the coach of any special needs your child may have.**
- 9. That said, EWTC knows how supportive you parents are in the happiness and success of your children and we appreciate all of you joining.**

*I have read the above code of conduct (for parent and child) and I agree to follow and give permission (as the parent/legal guardian) for my child to participate with Eagles Wings Track Club. I understand that I may withdraw my permission for my child's participation at any time.*
